Becky, does the "FEAT" have a group e-mail address we should use? Or should we address e-mails just to you or should we address them to a list of FEAT members? If we should use a list of names, could you please have someone provide us with those names. Thank you so much, Becky.

Subject: Consolidation of certain requests re: Gold King mine incident

Hi Larry– I just got off the phone with collection of folks from Regions 6, 8, 9 and HQ about incoming FOIAs received to date on Gold King Mine incident in Colorado. One of the matters we agreed on was to consolidate the 4 identical requests from Anne-Claire Stapleton with CNN which went to (R8-2015-009766, R9-2015-009767, R6-2015-009765, and HQ-2015-009764). R8 will be the lead office on the consolidated request.

Also, if your office can give me a heads up on any new (after today) requests coming in to HQ re: Gold King mine, I'd appreciate it. The FEAT will be working closely with the Regions and OSWER on all requests related to this matter.

Please let me know if questions

Thanks,

Becky
